Trenton Forging Company Awards Supplier of the Month

Trenton, Michigan – Trenton Forging Company presented Wauseon Machine and Manufacturing, Inc. Keith McMahon, General Manager the Supplier of the Month Award for August 2009.

Keith McMahon

David Moxlow

Trenton Forging is proud of its ability to maintain long-standing customer relationships by remaining true to its founding principles of providing customers with superior quality products, outstanding customer service and maximum performance. Trenton Forging's ability to adhere to these founding principles while evolving to meet current market needs has enabled the company to forge strong customer and supplier relationships throughout its history.

Trenton Forging President David Moxlow says, “It is a honor to work with these people because they go above and beyond the minimum in all aspects of the industry.”

Wauseon Machine and Manufacturing says they are “honored to receive the Supplier of the Month award from Trenton Forging. Synergies created with companies like Trenton Forging can really make a difference to the customer when they know they can rely on quick turn around and quality at a competitive price.”

Michigan-based Trenton Forging is a leading producer of custom impression die forgings for a wide variety of industries, including automotive, mining, military, and agriculture. Trenton Forging has the distinction of being one of the first companies of any kind worldwide to be certified QS9000, and the first closed impression die forging company in the world certified QS9000/ISO9002.
